

NEW

Stainless Steel Bucket Scoop
catalogue no.: **0540**

 **Kubala**[®]

MADE IN POLAND

Polish manufacturer since 1987

DIMENSIONS

160 cm

QUALITY GUARANTEE

Ergonomic and profiled 2K soft handle.
Stainless, acid-resistant steel,
thickness 0.5 mm.

With increased flexibility and elasticity.
Thanks to the right selection,
the angles and elasticity of the sheet metal,
the putty perfectly adjusts into the bucket,
causing the weight to be picked up
accurately from the bucket.

PACKING

1 box - 10 pcs
