

**NEW**

**Kubala®**

Glazing sponge **MASTER**,  
catalogue no. **0675**

**MADE IN POLAND**  
Polish manufacturer  
since 1987

**DIMENSIONS**  
110x160x60 mm

**QUALITY GUARANTEE**  
This soft and delicate sponge is designed for better absorbency and drainage, making it great for smoothing cement joints. It washes away easily and is equipped with a preventive agent to ward off bacteria and fungi growth. Additionally, it's perfect for cleaning tiles after grouting

**PACKING**  
1 box - 20 pcs
